## Enchanted Forest

"Off WITH HER HEAD" shouts the Queen of Hearts, as Alice and the King watch Snow White and Bashful outwit the wicked stepmother. Is Sleeping Beauty breathing? They're all waiting to delight and entertain you

## Casear and Cleopatra

This lavish and revealing bath scene shows Cleopatra the most beautiful woman in Rome, who gained power and great wealth through her charms. Julius Caesar, conqueror of the world and beloved leader gave her the throne of Egypt.

## Pirates' Tavern

BLACKBEARD is brought back to life as the blood-thirsty pirate that spread terror and murder in the 18th century. It is said his ghost still haunts the shores of

North Carolina. You can see him here with GASPARRILLA (Jose Gaspar), feared pirate of the Florida coast.
